

British History

2003 Lesson Plans

This unit study was created in 2003 for our history day with the Nolettes. We studied the history together once a week.

This is not a product.

We are just sharing our own notes to inspire you in your own lesson planning.

We did a lot of reading aloud and often took turns reading. We spend hours reading aloud. We also spend hours on hands-on activities that the children loved! Sometimes, we watched a movie.

We hope this will be a blessing and inspire you to create your own classes and unit studies.

Warmly,
Meredith Curtis & Laura Nolette
