Lesson Plans

2002

This high school literature course was created in 2002 for my daughters and their friend Zack to study Shakespeare.

This is not a product.

We are just sharing our own notes to inspire you in your own lesson planning.

My father-in-law created this course and recorded tapes of himself teaching the kids. He also graded their papers and had some speaker phone discussions about the plays.

We hope this will be a blessing and inspire you to create your own classes and unit studies.

Warmly,
Meredith Curtis & Laura Nolette
