

Second Grade Writing

This writing class was created in 2006 for my son to learn to write in first grade.

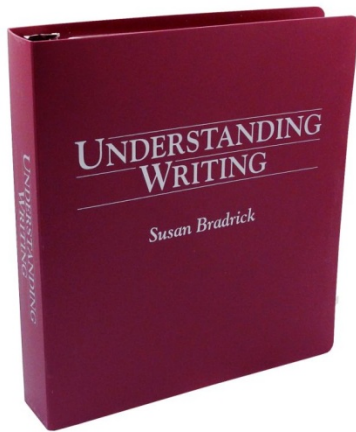

This is not a product.

We are just sharing our own notes to inspire you in your own lesson planning.

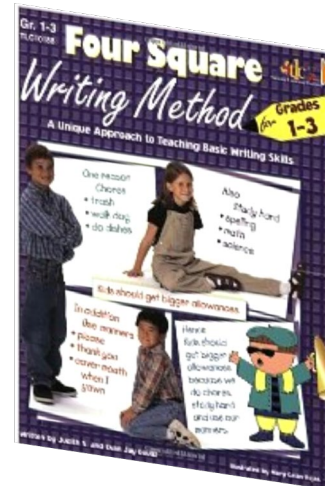

I used *Understanding Writing* (which I had used for all my other children), but added *Four Square Writing* because he was needing some extra help with writing.

We hope this will be a blessing and inspire you to create your own classes and unit studies.

Warmly,
Meredith Curtis & Laura Nolette
